## MAPS GROUP WINS TENDER FROM ASL BOLOGNA FOR THE SUPPLY OF A PATIENT EXPERIENCE SYSTEM

The award amounts to €1,495,000, with potential for further extensions

Parma, 05 May 2025,

Maps S.p.A., a company listed on Euronext Growth Milan and holding company of Maps Group, active in the Digital Transformation sector, announces that its subsidiary Artexe S.p.A., in a temporary business grouping (RTI) with Telecom Italia S.p.A., has been awarded the tender issued by ASL Bologna for the supply of a Patient Experience system for the outpatient area.

The agreement amounts to a total value of €1,495,000, divided as follows: €1,015,000 allocated to the 2025 financial year for the delivery of the reception system and IT equipment, and €480,000 allocated across the 2026, 2027, and 2028 financial years for system and equipment maintenance.

The agreement also includes the option to renew the maintenance service for up to an additional four years, along with the possibility for other healthcare facilities within the regional network to join, for a potential total value exceeding €2,600,000.

**Marco Ciscato**, Executive Chairman of Maps Group, commented: *"This award confirms the strength of our technological offering and the increasingly central role that Patient Experience plays in the digital transformation of care pathways. Being selected by a major institution such as ASL Bologna, alongside our partner Telecom, is a significant recognition of our capabilities and reflects the trust placed in our ability to design integrated Phygital solutions that are scalable and patient-centered. The system we will provide is designed to enhance communication between patients and healthcare facilities, while also improving the operational efficiency of healthcare organizations."*
