MAPS GROUP: START OF SHARE BUYBACK PROGRAM

Parma, 24 June 2025

Maps S.p.A. (MAPS:IM; IT0005364333), a company listed on Euronext Growth Milan and active in the digital transformation sector, announces that today the Company has approved the launch of a share buyback program in execution of the resolution passed by the Ordinary Shareholders' Meeting held on 24 April 2025. The authorization to purchase treasury shares has been granted for a period of 18 months from the date of the shareholders' resolution. In contrast, the authorization to dispose of treasury shares is not subject to any time limitation.

The objectives of the program are as follows:

- (i) to use the treasury shares as an investment vehicle for the efficient use of liquidity generated by the Company's core business;
- (ii) to allocate the treasury shares to beneficiaries of any stock option and/or stock grant plans that may be approved by the competent corporate bodies;
- (iii) to use the treasury shares within the context of transactions related to ordinary operations or projects aligned with the Company's expansion and growth strategies, where share exchanges may be appropriate.

The purchase of treasury shares must occur within the limits of distributable profits and available reserves as shown in the most recently approved financial statements (including interim financials) at the time of the transaction. All necessary accounting entries will be made in accordance with applicable laws and accounting standards when purchasing or disposing of treasury shares.

Purchases will be made at a price per share not more than 20% higher or lower than the reference price of MAPS shares recorded on the trading day prior to each transaction, with a total maximum outlay of €2,000,000. All purchases will comply with the applicable laws, including EU regulations, and with any accepted market practices in force at the time, where applicable.

In particular:

- (i) shares may not be purchased at a price higher than the greater of the price of the last independent trade and the highest current independent purchase bid on the trading venue where the purchase is carried out;
- (ii) in terms of volume, the daily number of shares purchased will not exceed 25% of the average daily trading volume of MAPS shares over the 20 trading days prior to each purchase date.

The share buyback program will be carried out through BPER Banca, within the limits set by the resolution of the Shareholders' Meeting.
